

Your Election Checklist

Election Day is Tuesday, November 3, 2026. Mark your calendars!

The most important thing we can do is vote—but we can do much more! Keep this checklist handy and use it to make sure you, your family, friends, and neighbors are able to vote and to have their votes counted.

This is a condensed checklist, not a complete guide. If in doubt, call your town or city clerk. See additional resources below.

☐ 1. Make sure you are registered

- ☐ **Check your voter registration.** Check with the NH Secretary of State or your town/city clerk to confirm that you are on the rolls and that your name, address, and other information is current and correct.
- ☐ **Not registered?** Register before Election Day at your town/city clerk's office, by absentee registration if eligible, or at a Supervisors of the Checklist meeting.
- ☐ **Missed the deadline?** You can still register at the polls on Election Day.
- ☐ **Gather your documents.** Bring documents to prove citizenship, age, domicile, and identity with. A qualified voter affidavit may be used to prove citizenship.
- ☐ **Keep backup copies on your phone.** Electronic copies of documents are acceptable as proof.

☐ 2. Make your voting plan

- ☐ **Put Election Day on your calendar.** Set aside enough time to vote.
- ☐ **Know your ballot.** Don't skip any of the races or ballot questions. **Vote Blue!**
- ☐ **Choose your method.**
 - ☐ **Voting in person**
 - ☐ Find your polling location and check the hours.
 - ☐ Bring a proper government-issued photo ID.
 - ☐ **Voting absentee**
 - ☐ Request your absentee ballot as soon as possible.
 - By mail: Include a copy of your photo ID or a notarized signature.
 - In person: Bring your photo ID. You can request, receive, complete, and return your ballot in one visit to your clerk's office.
 - ☐ Return your ballot early. It must be received by 5 pm on election day. Don't wait until the last minute, especially if you need to rely on the postal service. If possible, hand-deliver your ballot to your clerk's office before Election Day.

☐ 3. Help someone else vote

- ☐ Encourage new and less reliable voters to register and vote—adult children, grandchildren, and friends. Sometimes “Want to go vote together?” is all it takes.
- ☐ Offer a ride to someone who needs transportation.

☐ 4. Volunteer on Election Day

- ☐ Work the polls. Ask your town/city clerk whether election workers are needed.
- ☐ Become a poll observer for all or part of Election Day.
- ☐ Help with last-minute GOTV. Door-knock, make calls, or support other get-out-the-vote efforts.
- ☐ Hold signs at the polls for Democratic candidates on the Ballot 2 question.
- ☐ Drive voters to the polls.

For Voting Information, including checking your registration, finding your town/city clerk contact, registering to vote, documents needed, voting by absentee, locating your polling location and hours, viewing a sample ballot, etc. visit the NH Secretary of State's website: <https://www.sos.nh.gov/elections/voters>
